The Christian Medical and Dental Association of Canada (CMDA Canada) is a Christian organization that supports doctors and dentists in integrating their faith into their professional practice. The NS medical regulator has the most restrictive policy on conscience in North America. 41 courageous doctors have spoken out against this policy. To support this effort, we are collecting stories from people who have been offered MAID (Medical Assistance in Dying) within the healthcare system, particularly those among the most vulnerable populations. Have you or someone you know had an experience in healthcare where MAID was offered? Share your story with us! Reach out to record a video-story through this link <https://e584193.capsule.video/record> or if you prefer, to reach out directly, contact Brad MacKinnon at bmackinnon@cmdacanada.org or by phone [902-406-2955](tel:902-406-2955) and toll free [1-888-256-8653](tel:1-888-256-8653)

Refundables: The Knights of Columbus continue to ask for your assistance in donating your refundables. They can be dropped off at any time in the small shed at the corner of the St Andrews Church.
