March 2022 marks two years since the pandemic hit much of the world. What is God saying to the Church throughout the last two years? What have we learned? What should be our focus moving forward? As we slowly emerge into a post-pandemic world, mission-minded parish leaders know we have an incredible opportunity to recommit our energies to finding bold and new ways to evangelize. But there are important questions many are wrestling with:

- **What is the most urgent call for the Church?**
- **What have the past two years revealed about the Church and how she is fulfilling her mission?**
- **What are we being called to repent of, to turn from, and to turn towards?**

Join Fr. James Mallon, Bishop Robert Barron, and Revd. Nicky Gumbel for a conversation on *What is God Saying to the Church?* This is a FREE online event happening Tuesday, March 1, 2022, at noon Central (2 PM Atlantic, 6 PM London).

We're gathering these leaders in mission and evangelization together in a free online event so you can gain valuable insights for your role as a leader in your parish. Don't miss out as Bishop Barron, Fr. James, and Revd. Nicky Gumbel talk about the priorities parishes should have as we move forward. Visit divinerenovation.org/events, register today and invite your pastor and fellow parish leaders to be inspired, connected, and equipped for the work ahead.
